

CLD *Unexpected*

featuring - Dr. Stacy Vincent

Join Us on Friday, January 20th at noon in 341 Barnhart for CLD Unexpected with Stacy Vincent - "Developing a Social Science Research Series" *(Coffee & Donuts provided)*

As we focus on extending the depth, the impact, and the quality of our research, this CLD Unexpected workshop explores multiple research series being conducted in the Agricultural Education program, and how this research has led to the development of the Underrepresented Agriculturalists lab.
